Administrative Action

INTERIM CONSENT ORDER

TO PRACTICE RESPIRATORY CARE
IN THE STATE OF NEW JERSEY

This matter was opened to the New Jersey State Board of Respiratory Care (Board) on or about February 5, 2008, upon receipt of notice from the Hackettstown Regional Medical Center that William Fisher (Respondent) on or about November 29, 2007, while on duty as a respiratory therapist, tested positive for the use of alcohol.

Respondent is scheduled to appear before the Board for an investigative inquiry on March 4, 2008.

The Board and Respondent seek to resolve this matter on an interim basis without resort to further proceedings, and recognizing that Respondent agrees to surrender his license and will not practice respiratory care in New Jersey until further order of this Board. The Board reserving the right to take further

action, and finding the within Order is sufficiently protective of the public interest and for good cause shown,

IT IS ON THIS 4th DAY OF March, 2008, ORDERED THAT:

1. Effective immediately and until further order of the Board, Respondent voluntarily agrees to, and shall cease and desist the practice of respiratory care in the State of New Jersey;
2. Respondent shall immediately surrender his original New Jersey respiratory care license and biennial renewal card to Dorcas O'Neal, Executive Director of the Respiratory Care Board;
3. Respondent hereby acknowledges and agrees that entry of this interim Order shall not in any way preclude any further action against Respondent by the Board or any administrative or law enforcement entity resulting from Respondent's conduct prior to the entry of the within interim Order.
